Those twins are surprisingly easy to understand
Okumi is brimming with curiosity and very bold.
She easily tire of things, though
But he's actually very good at taking care of people
Baren is stubborn and holds grudges easily
They really had a good relationship with the villagers before?
Yes
Especially when they were children they were apparently cute pranksters.
They burned the hands of the adults around them.
I'm hungry
Hm..
Yes, I can see what you mean.
Fufu.

Unlike now,
they were treated very affectionately
I can't imagine it
It was because they had a great sun back then.
"Mother!"
"Mother!"
The 7th head of the Kumou shrine
Kumou Asahi.

She was a very capable and kind woman who raised the twins all on her own.
She loved Oumi and was loved by Oumi in return and she was just like a bright shining sun.
"Was"?
She passed away.
Ten years ago.
From a disease one can get by overworking oneself.
It was from there on out that the distance between the villagers and the twins started to grow
Why...?
The twins says that they were betrayed

The villagers were the culprits behind the fire.

The one who was loved was their mother and not them.

The villagers can't forgive the children of misfortune for taking away their sun

Mother said so too, right?
That "good fortune comes to those who smile".
Baren, don't cry
You still have me.
Look, I'll smile too.

Thankfully, the twins had a reason to keep living
Orochi extermination
It's the Kumou's duty from old times.
The two took each other's hands to fulfill their mother's will
With a sky that never showed the sun the people's mood darkened
They feared it was a sign of disaster, and lived in unease.
It was since then that Ouma was clouded over

It did not take long before the people of Oumi started to fight each other.
Unease cause mistrust and conflict.
I'm sure that they could not bear to see the villagers in such a state
The two used the fact that they were called children of misfortune
and turned the villagers' fury towards them instead of each other

They made everyone think that because there were children of misfortune close by nothing was going right, so that the villagers could live with less burden
and shifted the blame
So they lived in peace by blaming everything on the twins
Everyone wanted a scapegoat
The smiles returned to the villagers
So it did have an effect.

Even though you actually love Oumi
Thanks to that however, the twins are the most hated out of everyone in all of Oumi.
.....Idiots.
Do they intend to protect everyone that way?

During the incident with Kunitomo Apparently they took the part of principal offenders and accomplices to prevent the chaos from becoming a big conflict
Are you serious!?
They are very skilled, but you could say that they overthink things
They're clumsy in the way they show their good intentions
Apparently it got bigger than it was supposed to thanks to some meddling fool
It did seem they had not expected anyone to come out wounded, though
Nuh.
To those two, Kunitomo is also a precious part of their beloved Oumi after all
To think they had such intentions.

What were you searching for?
Hm~
That's a secret ♡
So it was here after all.

Here, Kihei'ta.
Do what I asked you earlier
You're Kumou's shinobi right?
I will put my trust in you
Understood.
This is bad
It seems like we've been discovered
If you're done here, we should leave
Yes, thank you for your help
Bye~ ♡
I'm running away now

No...
That woman...! She intends to run on her own?
She intends to be bait
Wait Okuni is...!
You should go this way
clatter
ぐっ

Yuuma!
Boss, let us go
You idiot! I promised Sakichi-
mugha!?
That woman is letting us run away
You don't need to help her any further
Sigh....
She is so naïve when she's up against a child of ill omen, silly squirt.
Okuni!!!

At the same time: Ouni Hachiman.
She's so kind I think I just might cry.

ドロドロ
Hey that
Isn't that a purgatory brat from the Kumou shrine?
It cannot be helped that we might have to be a bit violent
I will search separately away from the horses
They might be in disguise, so if you see anyone suspicious, tie 'em up
This area's too big, so let's split up and search
Why's he here...?
He's not going to do anything, right?
Baren!

Welcome back

Tamba...!
I don't have time to

play with you!!!

Yuna be by
Jaaan!
It can't be!
It's almost as if they're trying to lead us along
Weird
The attacks are half-hearted. Are they really trying to harm us?
Wait, Baren!
It's a trap!!
Just
move already!

Kyaaaaa!!
ゴオオオ

!
Bring water!
Water!
Evacuate the children!
It's a fireeee!
Did you
do it...?
.....
Don't!
Step back!
We didn't think you were murderers
You... steal and wreck havoc but
Waaaaah! Grampa!
Grampa's still inside!!!
To think
This.

I was set up huh
Tanba's and the other's presences are gone...
!
WE WON'T FORGIVE YOU!
CHILD OF PURGATORY!!
